

Here are the reasons why:

The Stegmann Quality trilogy
- the original with the wool mark
- made from especially dense felt
- handmade in Bavaria

Anatomically correct
contoured cork / or
polyurathane sole
absorbs shock and
supports the foot

All natural materials
reduce stress
and provide more
comfort

Wicks moisture
from the foot

Seamless 100 %
pure wool felt upper
guarantees comfort

Suitable for work
and leisure even when
worn round the clock -
can be worn indoors
and outdoors

Cool in summer, warm in
winter because of the
natural felt upper

Brush lightly with wire brush
to prevent pilling. Never
wear in wet conditions or
wash by hand or machine
